Sheffield
GROUP

Sheffield Group is a 4th generation 100% Australian owned family business that focuses on "Giving You More". Our brands: **Alpha, Sterling and Austsaw** cover a broad range of hand tools, cutting tools and power tool accessories, which provide a vastly superior user experience.

We have undertaken research and development in consultation with the mining industry to present a range of products that are approved and preferred by mining professionals. These ranges are available through a national network of progressive distributors to assure you get the products in your hands when you need it.
