professional

COMPLETE LUBRICANT SOLUTIONS

WD-40[®] Company Products
easy to use • problem solving • versatile • takes care of it

The 3-IN-ONE® brand has been a trusted name among end-users for well over a century. From the original drip oil to the Professional range of high-performance formulas, 3-IN-ONE has become the product of choice for a variety of needs.

Choosing the right product can be a simple task for your customer with a little education on what types of products are most effective for each use.

Within the 3-IN-ONE range there is a specially formulated *Toolkit in a can* product that your customers can rely on to make sure they have the expertise to help get the job done!

Review the complete 3-IN-ONE Professional range at: 3inone.com.au

FUNCTIONAL

LOCK LUBRICANT

- Cleans and protects all types of lock cylinders from rust and corrosion
- Eliminates sticking and displaces moisture
- Loosens metal bonds and frees stuck or frozen metal parts
- Cleans away scale and dirt

TOOL CLEANER

- Cleans and protects tools
- Enhances tool performance and extends durability
- Cleans and removes grease, oil, dirt and dust
- Dries fast and leaves no messy residue
- Ideal for use on nail guns

GARAGE DOOR LUBE

- Ideal for commercial and residential garage doors to keep systems running smoothly
- Quick-drying formula coats to prevent rust and corrosion
- Stops squeaks and eliminates sticking
- Reduces friction and significantly outperforms in Four-Ball Wear Tests*

PROFESSIONAL

ALL PURPOSE CLEANER & DEGREASER

- Deep penetrating citrus foaming action
- Rapidly cleans grease, oil, dirt and grime
- Easy rinse off properties for use on engines, tools and equipment

SILICONE SPRAY LUBRICANT

- Eliminates squeaks
- Reduces friction between surfaces
- Can work in extreme temperatures of -40°C to +200°C
- Rapid drying and waterproof, ensuring protection against moisture, rust and corrosion
- Significantly outperforms in Four-Ball Wear Tests*
- Can be used on all metal and non-metal surfaces including plastic, wood, rubber and vinyl

WHITE LITHIUM GREASE

- Can work in extreme temperatures of -30°C to +150°C
- Moisture resistant
- Long lasting heavy-duty lubrication
- Does not splatter, dissolve, drip or freeze
- Reduces friction while protecting against rust and corrosion

NEW

AIR DUSTER

- 70 PSI continuous pressure
- Ideal for use in workshops
- Permanently attached precision straw sprays into hard-to-reach places
- Safely removes dirt and dust from electronics and workbenches

NEW

CONTACT CLEANER

- Precision electronic cleaning solvent
- Dissolves grease, oil and dirt and removes condensation
- Non-conductive, non-corrosive and provides a high purity chemically inert cleaning
- Fast evaporation, residue free, low toxicity and contains no lubricants

NEW

HIGH PERFORMANCE LUBRICANT WITH PTFE

- Excellent lubrication and corrosion protection*
- Can work in extreme temperatures of -45°C to +235°C, pressure and motion
- Friction and wear is dramatically reduced on all moving parts, which also extends the life of tools and machinery
- Helps drive out moisture
- Can be used on all metal and non-metal surfaces including most plastics, glass, wood, rubber and vinyl

NEW

DRY LUBRICANT WITH PTFE

- Long-lasting film strength resists dirt, dust and oil
- Lubricates parts to reduce sticking, squeaking, friction and wear
- Protective coating against chemical contaminants or water
- Ideal for releasing moulded parts, use in tight tolerances and treating sliding tracks

NEW

BRAKE & METAL PARTS CLEANER

- Cleans without the need for disassembly
- Professional strength safely and effectively removes brake fluid, grease, oil and other contaminants from brake and parts components
- Penetrates rapidly to dissolve oil, grease and grime
- Evaporates fast, leaves no residue
- Solution can be used as a general purpose cleaner and degreaser in your workshop

ORIGINAL

MULTI-PURPOSE DRIP OIL

- Specially formulated lubricant
- Spout applicator for precision
- Protects surfaces from rust and corrosion
- Can be used on mechanisms to stop squeaks and when cleaning metal

INNOVATION AWARD WINNING **SMART STRAW®**
TOUGH, EASY TO USE, NEVER LOSE THE STRAW AGAIN.
