

## Ground Clamps

### Applications: Grounding, Welding

Magswitch magnetic ground clamps come with the new fin design which lowers temperature. With our ground clamps, no more tacking necessary. Simply place our magnetic ground clamp on a clean work surface, turn on and start welding!

- Fast setup as it instantly grounds to flat and round surfaces of steel
- Stronger hold in the shear (vertical) position allows for use with heavy gauge cable
- No more tacking on tabs and searching for ground location
- New fin design lowers temperature by 27%.
- Magnet turns completely On and Off
- Magnet stays clean as it is easy to wipe debris off
- Does not require an electrical power source
