

660AN Trigger Action Grease Gun

June 2019

The 660AN manufactured in Germany, is a trigger action 450g grease gun capable of delivering up to 1.1cc of grease per stroke. It comes standard with a 30cm flexible extension and a 4 jaw coupler for those difficult to get at lubrication points.

Capable of generating grease pressures of up to 8,500psi (586bar), the 660AN features the Twin Lock System that eliminates the possibility of dummy lubrication and the patented Ever-Flow System enabling it to handle thick/tacky grease.

The 660AN has a 600g capacity when using bulk grease and features a slip-type pressure/volume adjustment which changes the gun from high pressure to high volume. Reliable, dependable and genuinely heavy duty the 660AN carries the benefits of one hand operation, boasts a 4 year warranty and is guaranteed to perform and exceed your expectations.

SPECIFICATIONS, FEATURES AND BENEFITS
