

600A

Lever Action Grease Gun

June 2019

The 600A Lever Action Grease Gun, engineered and manufactured in Germany, provides superior performance and delivers more grease on demand, where you need it.

Capable of generating grease pressures of up to 12,000psi (828bar) and delivering up to 1.6cc of grease per stroke, Alemlube's 600A utilises its Twin Lock System that seals the piston and eliminates the possibility of dummy lubrication.

Furthermore, the patented Ever-Flow System enables the gun to be used even with most thick, tacky greases up to NLGI3.

Reliable, dependable and genuinely heavy duty, the 600A is manufactured with a light weight and compact aluminium die cast head assembly, a four jaw coupler, and a rigid extension.

Always the grease gun of choice, the 450g 600A with a 4-year warranty is guaranteed to perform and exceed your expectations.
