FAST ACTING CITRUS DEGREASER

WD-40 Specialist Fast Acting Degreaser is a biodegradable compound consisting of d-limonene that quickly removes grease, oil, dirt and grime without residue. It works immediately on contact and is easy to rinse away. This fast acting degreaser can be applied to a wide variety of surfaces including metal, exhaust hoods, and flooring.

FEATURES AND BENEFITS

- ✦ Cleans equipment to make it run more smoothly and last longer
- ✦ Easy to rinse and leaves no residue
- ✦ Power foam works immediately on contact
- ✦ Removes grease, oil, fat, dirt, soap scum and grimy residues
- ✦ Can be used on a variety of surfaces including metal, exhaust hoods and flooring

APPLICATIONS

Hand and Power Tools · Work Surfaces · Marine Equipment · Lifts and Hoists
· Exhaust Hoods · Printing Presses · Flooring and Industrial Machinery · Engines
· Waste Water Plumbing & Grease Traps

DIRECTIONS

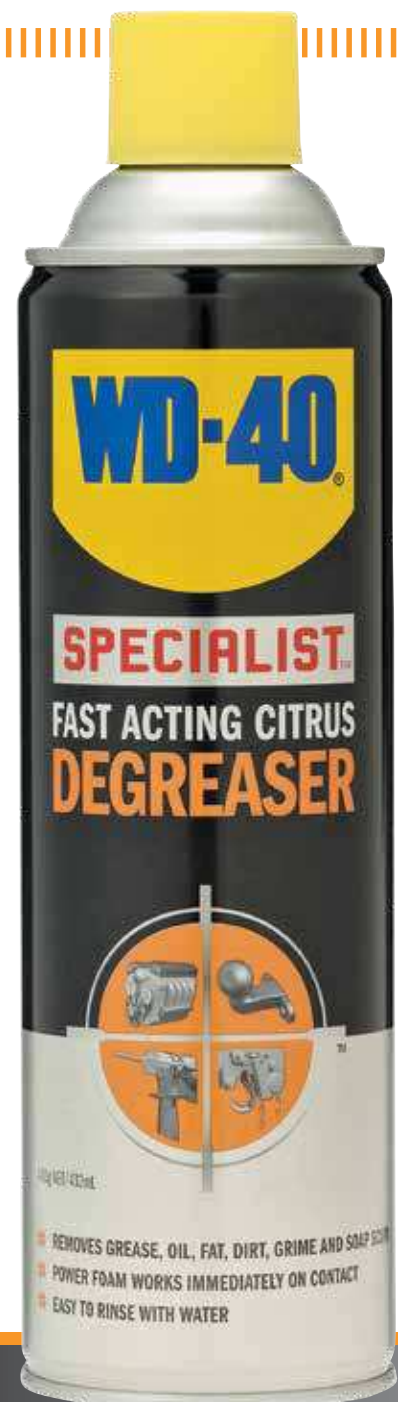

Shake can well before use. Hold can 15cm to 30cm from surface depending on area of coverage and spray liberally. Allow penetration for 30 seconds before agitating with a brush or cloth. Wipe off any excess liquid. Repeat as necessary. When cleaning coatings or rubbers, test a small inconspicuous area first.

TECHNICAL

Product	Fast Acting Citrus Degreaser
