## **TECHNICAL DATA SHEET**

Product No. 5085

Date of Issue 10 September 2013

# **CRC Industries (Aust) Pty. Limited**

PO Box 199, Castle Hill, NSW 1765.

## I. Product Description

Brakleen Force with Power Jet Technology is a powerful cleaner/degreaser for brake and clutch parts. A non-chlorinated solvent blend, formulated to quickly and safely remove brake fluid, grease, oil and other contaminants from brake and clutch parts.

## II. Applications

Perfect for cleaning and degreasing:

- Brake linings
- Drums
- Cylinders
- Brake discs
- Springs
- Calipers
- Clutch discs

#### .

#### III. Features & Benefits

Effectively removes brake fluid, grease, oil and hardened deposits. Reduces disc brake squeal and chatter. Can be applied without disassembly, saving time and reducing costs.

- Evaporates quickly. Leaves no residue
- Low surface tension gives excellent penetration
- Stable, non-staining and non-corrosive to metals
- Safe on most plastics, coatings and rubbers (test prior to use)
- 360°
- Valve for added convenience

#### •

## IV. Physical Properties without propellant

| Flash Point             | <0°C(TCC)         | Boiling Point      | 55 – 120°C       |
|-------------------------|-------------------|--------------------|------------------|
| Odour                   | Petroleum Solvent | Solubility         | Neg. in water    |
| Appearance              | Odourless liquid  | % Volatile         | 100              |
| Vapour Density          | 3                 | Specific Gravity   | 0.720            |
| <b>VOC Content (Fed</b> | )Aerosol 720 g/L  | Propellant         | Carbon Dioxide   |
| Composition             | Heptane and Aceto | ne combined concer | ntration greater |
|                         | than 60%          |                    |                  |

### V. Disposal

Disposal requirements vary by state and local regulations. All used and unused product should be disposed of in conformance with local, state and commonwealth laws and regulations.

## VI. Special Use Warnings

#### **Aerosol Cans**

Do not puncture, incinerate or store above 50°C. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source. Aerosol cans will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

#### General

Use only in well ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapour and spray mist. Avoid contact with the skin and eyes. If ventilation is not adequate, respiratory protection should be worn. For more information regarding short term and long term exposure, review this product's Material Safety Data Sheet.

<u>PRODUCT WARRANTY</u>: CRC offers a conditional warranty on this product for the period of 2 years from the date of manufacture.

<u>DISCLAIMER</u>: All information on this data sheet is based on testing by CRC Industries (Aust.) Pty. Ltd. All products should be tested for suitability on a particular application prior to actual use. CRC Industries (Aust.) Pty. Ltd. makes no representations or warranties of any kind concerning this data.
