CHRONOS SAFETY SPEC

FEATURES & BENEFITS

- State of the art base curve 9 wraparound sports style
- Thicker and stronger optical center lens (2.2mm) allows for greater impact resistance
- Dielectric (metal free) model. No risk of electrical arcing around power lines or machinery
- Soft TPR padded side arms for a superior comfort grip. Rubber end tips avoids lens scratching.
- Super flexible side arms wont snap and difficult to distort
- EVA removable dust gasket as an option. Comfortable seal around eye socket radius to exclude dusts. Easy click on/off
- Made to AS/NZS 1337.1:2010
