

Citra Scrub

Water-based Cleaner with Natural Solvent

APPLIED ACISC

Description: Applied Citra Scrub (CISC) is an extra heavy duty, low foaming water based cleaner and degreaser containing natural citrus solvents. Safely removes heavy deposits of dirt, grease and grime from all washable surfaces.

Intended Use: Applied Citra Scrub (CISC) safely removes heavy deposits of dirt, grease and grime from all washable surfaces. Ideal for use on floors through auto scrubbing machines carpet scrubbers and in laundries as a pre-wash stain remover.

Product features:

- Cost Effective:** Highly-dilutable for a wide range of cleaning tasks
- Fast Acting:** Rapidly emulsifies build-up of tough soils
- Caustic Free:** Safer for people to use. Minimum risk of damage to surfaces
- Non Corrosive:** Safe to use on all metals
- Natural Citrus:** Provides deep cleaning and leaves surfaces smelling fresh and clean
- Effective in Hard Water:** Cleans efficiently in all water conditions.
- Laundry:** prewash spray or soak.
- Carpet:** spot removal

Typical Physical Properties:

Technical data should be considered representative or typical only and should not be used for specification purposes.

| | |
|-----------------------------------|--|
| Appearance: | Thin water based liquid with an orange fragrance. |
| pH(Concentrate): | 13.3 |
| pH (1% Solution): | 11.3 |
| Specific Gravity (gm/cm3): | 1.02 |
| Flashpoint (°C): | Not Flammable |
| Solubility in Water: | Miscible at all dilutions. |
| Storage: | 5 - 45°C |
| Shelf Life: | 1-year minimum |
| Quick Break: | Within 15 minutes. |

Directions for Use:

- Use product as dispensed.
- Fill Squeeze/ spray bottle directly from dispenser. Do not further dilute.
- Product is pre-diluted and read to use.

GENERAL PURPOSE CLEANING (degreasing, showers, baths, hand basins, ceramic tiles):

- Spray, squirt or wipe onto surface.
- Agitate with utility hand pad or nylon bristle brush.
- Allow a few-minutes contact time for heavier soils.
- Rinse off with clean water.

TOILET BOWLS & URINALS (internal and external) surfaces:

- Spray or squirt solution onto surface and agitate with brush or acrylic swab mop.
- Rinse with fresh water.

GENERAL HARD SURFACE CLEANING

- Heavy Soilage: Dilute 1:10 parts in warm to hot (50°C) water.
- Medium Soilage: Dilute 1:20 parts water.
- Light Soilage: Dilute 1:30 parts in cold water.

TOILETS & URINALS

- Use 1:10 for medium soils and up to 1:5 for higher soil areas.

FLOORS

HARD SURFACE FLOORS

Auto Scrubbers

Heavy Soilage: Dilute 1:50 parts water

Medium Soilage: Dilute 1:100 parts water

Light Soilage: Dilute 1:150 parts water

Manual floor Washing

- Dilute 1: 100 or for heavy duty cleaning, dilute 1:50 parts water.
- Wash or mop surface to be cleaned.
- Agitate or brush if necessary. Rinse thoroughly.

CARPETS & RUGS:

- Although **Citra Scrub** is safe on most carpets, test a small inconspicuous area first.
- Spray a light mist of neat **Citra Scrub** onto difficult stains. Do not soak carpet.
- Dilute 1:20 for lighter stained areas or as a traffic lane cleaner use at a dilution of up to 1:10.
- Allow 5-10 minutes to activate. Then either use a damp sponge to extract soil and product from the carpet or extract out using carpet extraction machine. Note: with all carpet cleaning, avoid over-wetting the carpet as this will lift soil from the lower level and backing of the carpet.

LAUNDRY

- **Citra Scrub** may be used as received as a pre-wash spray applied directly onto the fabric or diluted as a pre-wash soak.
- For delicate or highly coloured items, test a small inconspicuous area first.

Pre-wash spray application:

- Use neat by spraying from a spray unit directly onto stain.
- Allow 10 minutes to penetrate stain, then wash as per normal.

Soak application:

- Diluted in a bucket or sink and soak from 1 hour to overnight.
- Dose rate: 1/2 a cup (125 mL) of **Citra Scrub** into a 5 litre bucket of cold or warm (<35°C) water.
- After using either application, do not allow fabric to dry before proceeding with normal wash program.

Storage:

Store at -1°C - 59°C.

Precautions:

Please refer to appropriate safety data sheet (SDS) prior to using this product.
