CRC Coil Cleaner Pro Liquid

I. Product Description

CRC Coil Cleaner Pro is an industrial strength coil cleaner that effectively dissolves grease, oil and sludge from air conditioning and refrigeration coils. It is suitable for both evaporator and condenser coils.

CRC Coil Cleaner Pro is non-caustic and non-acidic and does not require rinsing from evaporator coil cleaning applications. Coil Cleaner Pro is suitable for air conditioning and refrigeration filters, fan blades and blower wheels.

II. Features & Benefits

- Low Odour
- Does not contain hazardous ingredients
- Will not produce toxic fumes.
- Dissolves Grease, Oil and Sludge
- For use on HVAC+R Coils

III. Application Directions

Dilution Instructions:

- 5:1 for heavy duty cleaning
- 10:1 for medium duty cleaning
- 15:1 for light duty spray and wipe cleaning
- 20:1 for non-rinsing on condenser coils

Read Entire Label Before Use

1. Disconnect power before use
2. Spray product into the coil beginning at the bottom
3. Ensure the coil is fully saturated
4. Leave for 10 minutes before rinsing from condenser coils with water

In food processing areas: Remove or protect all food and packaging. Rinse with potable water after use if contact with food or packaging is expected.

IV. Typical Properties and Characteristics

Character	Aqueous degreasing solution
Colour	Colourless
Storage	Do not store <0°C
Chemical Base	Contains no toxic ingredients
NSF Registered	A1 163492

V. Package Description

Part Number Size

1752428 Jerry 5L

VI. Special Precautions
