

KWIKMASTER INDUSTRIAL WIPERS

THE BEST SOLUTION FOR YOUR WORKPLACE WIPER NEEDS

Ensuring equipment is cleaned effectively, efficiently and safely is a top priority for most businesses. A wiper should be durable, absorbent, the ideal size and leave no debris or lint behind.

Kwikmaster General Purpose and Heavy Duty Industrial Wipers are tough, durable and highly absorbent, making them ideal for a variety of cleaning applications.

KWIKMASTER KM60 & KM80 INDUSTRIAL WIPERS

The Kwikmaster wipers range consists of the **KM60 General Purpose Industrial Wipers** and the **KM80 Heavy Duty Industrial Wipers**.
