EAR PLUS 200 PAIRS CLASS 5

PERSONAL PROTECTION

- **Individually Packaged.** Each pair has been packaged in a polybag, offering protection from the elements and ease of handling
- **Dispenser Box.** The dispenser bottom opens up to offer quick access
- **Brightly Coloured.** Offering high visibility and worker compliance. Distinct warning orange color makes compliance checks easy
- **Smooth Tapered Shape.** For easy insertion and removal. Requires less pressure to roll down. Slow recovery rate gives you plenty of time to correctly insert into the ear canal
- **Soft Polyurethane Foam.** Offers maximum comfort and protection
- **Un-Corded Design.** For quick and simple fitting.
