THE ENVIRONMENT**

## CHANGES TO CRC SMARTWASHER OZZYMAT® FL-4

1. Single OzzyMat FL-4 purchases from CRC have been discontinued. To better align with customer purchase patterns, OzzyMat FL-4 will now be sold in multiples of three or a box of 24.
2. This change will take effect from February 2021 (based on current stock).
3. There has been no change in price per unit.
4. There has been no change to the OzzyMat FL-4 part number or barcode.
5. There has been no change to the OzzyMat ingredients or capability. The OzzyMat will continue to introduce microbes into the SmartWasher system every 30 days to effectively 'eat' the grease, oil and other contaminants cleaned off the dirty parts, creating the harmless by-products of carbon dioxide and water.
