

AUSTLIFT[®] CONTAINER RAMP

145000

145000 container ramp has an overall length of 1.5 meters allowing easy placement and removal of the first and second line of pallets in a container. Fork pockets are provided with flip-up front tine pockets for ease of transport. Securing safety chains both sides of the ramp prevent unintentional disengagement of the ramp from the container. The Standard finish on the type 145000 container ramp is Enamel painted over primed steel.
