

CRC Industries (Aust) Pty Ltd

I. Product Description

CRC 5-56 Non-Flammable is a multi-purpose service spray that penetrates, lubricates and prevents corrosion. It forms a thin film that lubricates moving parts for smooth action and silences annoying squeaks.

CRC 5-56 Non-Flammable Multi-Purpose has superior penetrating power that loosens rusted parts, and displaces water from wet equipment. Safe for all metals and alloys. Contains Carbon Dioxide.

II. Features & Benefits

- **Advanced lubrication for smooth action** – Silences annoying squeaks and squeals
- **Stops and attacks rust** – Protective film for ongoing protection against corrosion
- **Displaces moisture** to help start wet engines
- **Penetrates quickly** – Breaks away rust and corrosion, frees components bonded by dirt and scale
- **Eliminates** the need for many disassembly operations
- **Preventative maintenance programs** – To increase the life expectancy of mechanical equipment
- **Safe for** all metals and alloys, most painted surfaces, coatings, plastics and rubbers
- **Contains no** silicone
- **Cleans** grease and tar off painted surfaces
- **Temperature Range** -10°C to +150°C

III. Applications & Directions

1. Hold can 30cm from surface and spray liberally.
 2. For greater penetration leave to soak in before working on part.
 3. Wipe away excess fluid with clean cloth.
 4. For starting flooded engines, spray all electrics and leads liberally with CRC 5.56.
- Note: When cleaning surfaces test small area first for colour fastness.

IV. Typical Properties and Characteristics

Physical Properties:

Odour	Pleasant	% Volatile	70%
Appearance	Amber Liquid	Specific Gravity	1.1
Viscosity	4cP @ 20 °C	Propellant	Carbon Dioxide
Boiling Point	70 °C Initial		

V. Package Description

Part Number Size

1754519 400g Aerosol

VI. Special Precautions

General	<ul style="list-style-type: none"> • Keep away from open flames and hot surfaces. • Contents under pressure. Protect from sunlight. • Use only outdoors or in a well-ventilated area. • Deliberately sniffing or inhaling concentrated spray can be harmful or fatal. • Do not eat, drink, or smoke when using this product. • Causes skin and eye irritation. • Wear protective clothing and eye protection. • If unwell feeling persists, call a Poison Centre or doctor. • Dispose of empty containers safely. • All unused product should be disposed of in conformance with local and national regulations, do not contaminate water supply.
Aerosol Cans	<ul style="list-style-type: none"> • Contents under pressure. • Protect from sunlight. • Do not expose to temperatures exceeding 50 °C. • Do not puncture or incinerate can even if empty.
First Aid Measures	<p>Eye Contact</p> <ul style="list-style-type: none"> • Rinse cautiously with water for several minutes. Remove contact lenses, if present.
	<p>Skin Contact</p> <ul style="list-style-type: none"> • Wash with plenty of soap and water.
	<p>Inhalation</p> <ul style="list-style-type: none"> • Harmful if inhaled. • If inhaled and feeling unwell remove to fresh air and keep at rest. • If unwell feeling persists, call a Poison Centre or doctor.

IX. Disposal

Aerosols should be empty before disposing of. Recycle can if facility is available or place empty can in the household rubbish.
