

SUPREME COMFORT MAT

ANTI-FATIGUE MAT

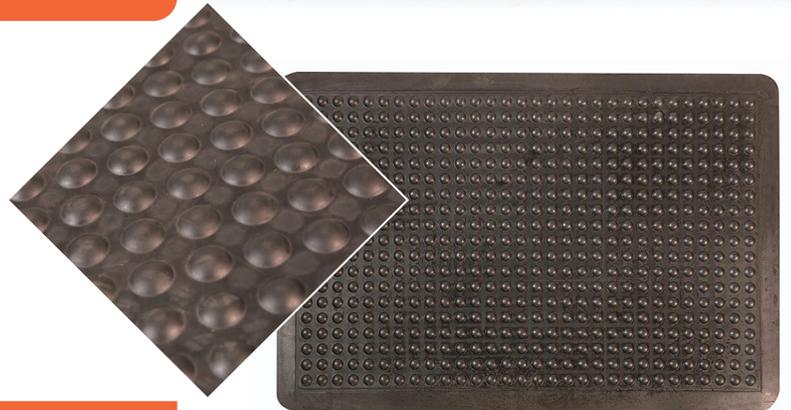

Uniquely designed suction cups that act as supports for air cushions and flexible texture of pure natural rubber, bring together buoyancy and superb comfort not found in any other rubber mat.

Compared to other “bubble/dome” mats, the low profile domes of Supreme Comfort provides a more stable surface eliminating heels/feet roll-over hazards, while facilitating ease of turning, twisting and movement on the mat.

FEATURES & BENEFITS

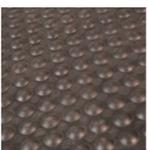

- Low profile domes provide stability and support
- Suction cup backing provides great stability
- Natural rubber compound provides excellent insulation
- Raised dome design offers good slip resistance

SPECIFICATIONS
